

LineSelect® Model 8408 PS/2 Keyboard, VGA Monitor & PS/2 Mouse A/B Switch

- **Sharing Switch adds, flexibility to Keyboard, Monitor, Mouse Networks.**
- **Field Proven, Highly Reliable!**

INTRODUCTION

The **LineSelect®** Model 8408 PS/2 Keyboard, Monitor and Mouse A/B Switch is designed to allow access from one PS/2 computer to two locations having a keyboard, monitor and mouse. Alternately, the **LineSelect®** Model 8408 can also be used where two PS/2 computers need to be shared among one keyboard, monitor and mouse location. A front panel selector allows quick and easy switching of the shared device.
